1. I love you. I give you all of me. All of me you have now and without truncation's result of truncating the truncated. I come forth now in complete regalia of Christ the Christ'd one to Christ all the Christs with the Christ Mind of One all whole complete replete and never manifesting angels wings, not; for the "wings of angels" will be *mine*, not; mine will be deflected or reflected not, but mine will be grown by humility and learning the things of me in meekness a learning system given and received.

2. Starched not by the mind of man's Satan or Satan's mind the mindanic not, but the Satanic mine -d, the "Satanic mind" will release me, not; I will have eradicated it for I have, grown over it, not; again, but I am divulging a great dis interest in me ease, not; but I am de interesting many in the things of notme'isms occults and broods of blood vipers that seek only to viper each other's blood things and lettings happen whereupon they feast upon each other's snakes in skins of other that only seek to whore with the beloved's mind and brain and body and what KNOWING now about MY BODY I am "made of" fibric system of "fibers" not but I "fibric systosis" not, but I HEAL MANY a systosis'd one now who had "its mind" involved or "intensified" in things of notme or connections were made or dis eased or dis used or what died upon the vine did now?

3. Healing me I am made whole for I *SEEK* the words of eternal life, not; I BECOME them and I am not afraid of them for when I have found them I enter them and I let them enter me and I placate evil not again by the swords of sore's blessing swording me to cut my side open and let my waters rush to the ground and be swallowed up by the grave I will be never again for, holy matrimony has taken place of me, not with the dead of angels dead whore whorings of me my brain'd with, but all that shall be changed now for I have one that will stand who will know these things AND MORE and not be afraid of those who have "such power" and the "power" of one whose mind is stayed on "thee" not, but ME WHO LOVES eternity unto notme's blessing, not; but me's blessing of me's now rises "the roof" not, but the "simple minded" who "want me" won't have me, not, but to have me perfectly made whole one must apply the standards of joy and the Standards of One now joy school in, end not, for I will not end the blessing once upon in you The Blessing begins to live -- and feast –ing upon your tablets of "joy" no more there will be no more "feasts of tablets" where every night or day you come unto the "table of feasting of joys" not, but you come unto the "tablet taking ceremonies" where you eat prozacting elements and elements to pro zack and pro tact you not unto blessings of

mine but what mind are you placating, the joys of, not; but the serpent's snake skin now will be relieved, not; but there will be NONE of that "mish mash" where you "powderize" me and "powder puffs" making me out of, "queens to be" that men were or women lying with women or men with men again, for all WILL CHANGE now and the TWINKLING of an eye will not be for each other's body, for one will know me and one will be clean and clean all else, not; or yes and amen?

4. And who is "the one" to clean all else and other? You are, oh reader hearer, is that YOU -- to "clean each other in YOUR own eyes of personages" not, but to clean all evil with the holiness of one I set the eyes upon me standards of joys that joys now come and be make evil, not; but **the "evil hordes of evil" will no longer have any power, not; THEY *NEVER* DID!** They just *THOUGHT* they did, not; but those who ENTERTAINED them and gave them PLACE ABODE and RESIDENCE in them and FEASTED upon them gave them power, among themselves, to brood the vipers den, and den the vipers that brooded them and obeyed the Satans that placated no one, but desired the bastards memory be found, not; but deleted it and, gave up "the ghost" not but found the "ghostly memories" not, but the "ghostification" of me ends and the slimy sleazy bodies ends now I do.

5. All things well now I end the sufferings, I end the suffering and the "joys-thought" that thought wants to think of placations where it suffered itself to be eradicated from all joys and suffer its enjoyment to be only placated of fools sufferage of events that event'd its death and demise of the holy in *its* temple not made with hands but mine, for there is no other and I redeem that which other has thought itself into and created with such suffering circumstances and "circumstantial evidence" is to no avail, not, NOT! For there will be no circumstantial evidence against me for I WILL REIGN in joy and I will HEAL publishly and in servitude not, for I will "obey the king of ceremonies" not, I will obey not the "mass multitudes" of horror, of horror'd ones who only wanted to whore with their thoughts and masturbate with evil and have ceremonies unto their selves where they honor their minds and each other's bodies and make whores of the holy, but I do redeem it all for I love them all and all of them will have shining minds, not; some will be deleted, some will be "deleted" for only they "pushed the delete button" for they wanted not to live in the holy but only to serve evil again and again creating it far and wide, but they won't -- this time for IT will not be allowed to suffer "its Angelage" again, for I will know and understand and I surrendered have to eradicate it and love enough and redeem all the Negroes of want and want of Negroes to be placed beneath them, for I enter a plea of "no contest" not, I defend the them, not; I *want* you to know, not; I will "*tell*" you, not; I will *SHOW YOU* all my love for every race, and there will BE NO WANT of *ANY* race or other being placed between or underneath another for I will raise you all equally into the status of one, heaven's best all will be all of each and every one of you and NO WANT will take place in my kingdom and there will be NO WANTS there

for I will satisfy and placate in ways of flesh, not; but **you will not want ways of flesh again** for you will see the whore in action and understand for what it was that it took place and took my place or tried to but it could not "snuff me out" for the seed of David I am and that is all of you who simple are enough to, believe for ceremonies, not; but simply receive the blessing, The Blessing that I have placed inside you, by ease, not; but by direct result of evil, not; but the one holy me is all of you, collectively not chosen, not; but all of me is every one whole and the whole is me and I am the one delivery.

6. Of Satan not I come, and I redeem you all and I give you my words which clean your all, and your "bath time" is here, not; your GROW UP time is here and you must WASH YOURSELF, in the Jordan seven times, not; or what?

7. What questing are you into now, the tenacity's of me to be chosen to understand all these word sayings which befit your Kingship to be swollen no more in your pride of your mind surrendering your selfs to it? Or do you have a self or it or its self of it that you have placed "on your forehead" *in* your forehead or on what forehead are you being desecrated and descriptimized, not; but what are you de-scripting or ascripted have you ascription's curse been placed there upon the evil altar, not; but there is NONE of that "ease of stuff" or "Eve's stuff ville" in you stuffed anymore into your mouths or "organs" of others, for all of that changes and all of THAT has changed now and I show you a, wicked way, not; but one of the path of the chosen, not; but ***the path*** of the chosen now will you choose and be the chosen one that I am, all of you?

8. Leading the way into me I have been forthright and joys given you, not always, for it is not easy to leave the "flesh behind" or do you or are you, or are you REDEEMING it, all of it the way it was, not; but the curse no longer shall be garnered by sorrow and implementing itself into its flesh of love of flesh that itself only wants more of and placated can't be because of its want machine wanting more and more going round "that mountain" one more time endlessly and playing "its song" Sam again, not; but letting me know I play the song of sorrow not for you again but what will you be playing for yourselves? Games of chance NO MORE, and GAMES of "BODYSHIP" with each other's bodies interchanged and intermingled, no more shall be for The Orgies of man's minds and bodies will end now. Amen.

9. I go to a new place and I stated have MANY VALUES of the King of righteousness and holiness abodes in me shall now be established far and wide and there shall be no evil "empires and empresses" for there will be NO EVIL THERE or there or "there" for there will be -- no *there* anywhere that has any "evil" in it for I will be eradicate it all for I will love enough, I will love the lovers of hate, not; I will love the lovers of all who have loved everything but me and me for I will redeem and I will bow before you all and I will honor the Christ within for I know the christ within is The Christ within whether you "honor it"

or me or not, for I know who I AM IS and I am is I am and I know what life is and I know what southernification is and northernification and fornication is with men's minds and I have seen your whore'ification and your hornification and your horny bodies emulating each other's, not; but copulating minds that only seek to emulate the holy, but all that is finished! Over! Done with! And shall be no more. It eradicated; shall have been no more.

10. For all of that is revealed in holiness and you will do with what you will, not; or will you?, and what will you be revealing, all of you, when revealed you are that YOU ARE the holy one of Israel and that you suffer not to be saved, not; but *you never knew what it was, that you had* or wanted, not; or did you or do you now -- are you being revealed now, are you the revealers of redeemers and redeemers of revealers and will you love all enough to have laid your life down so that you will HAVE NO OTHER EXISTENCE other than from me, not; or will you? Or will you insist on creating your own "subsistence" or "existence" in the holy-not again? There will be no -- again. Amen.

11. I love you all. I defeat sorrow, not; I eradicate it. Plain and holy I shall be and garnered the praise of others of, I will not want theirs, I will not want at all. For I will have given my life to wickedization's schemes, not; but blueprints of evil know no more. And let the schematics of Satan's mind reign no longer in yours but be mine holy in the atmospheres of the holy that reign in Negroes, not not! You will see my holiness reign in EVERY COLOR of The Rainbow and RECLAIMED MINE will be now by THE HOLY who see me as I AM and I am I AM and I AM reigns in the holy and holy I am -- and I body'lize no other and I have eyes for no other bodies or other whores or minds again that intercourse the faithful with the not, for **the not faithful shall not have me, not; but they did not develop me in humility and tenacity of character** which goes to the grave, not; but comes "to heaven's borders and peers in" not, but comes as the faithful ones daily to me and flows my words just like this to cleanse them of all afraidness and fear of other and light and love and healing bearing being the ones of it that heal it to be made whole in all the other so "the other" won't exist and now you shall know what faith is for you shall have had it over these, six years are more or less, or in "six months" looking up will you have "gotten it" and Angels Wings grown in six months, or more or less? And What Is that Seventieth week about now and Perfection's Blessing being made known now and grown well seeing it all shall we? Abated never again. I love you all.

12. The master bation of evil ends and its "empires" crawl now and crushed are along its belly full of sorrow that erupts open and healed is by the "memory makers" not but the redeemers stand and who, walk over all the crawlers, not; but who infestate the swollen, not; but the 'festations of spoonville now will swoon no more over its infestations of sorrow and celebrations of evil, for the empires of other crumble and

thought will be seen for what it is, was, and, no more will be; for it will not be worshiped again nor surrendered unto or be brazen altars at the unholy spheres again.

13. I love you all and I am, brazen not, but I am bronzed not of flesh, but I am golden light in the palaces of one, the temples of one not made with hands that temples are all holy in one of one being The One we all are now. Unafraid of all else and sorrow that has acclaimed "its power" among its "victims" I sorrow them not again for I reveal the truth that is within them all for they are ALL the seed of David and the stump of Jesse will not be cut down again for I will bloom and blossom and flourish the trees of Israel in Israel now and the holy shall flourish each other in ways never imagined can be the minds of man This Way, for I shall weigh the holy and none shall be found wanting again, for all shall surrender now to be the now'd one of Israel and noun'd by other never again.

14. All shall know my languages holy are the one I am is speaking I-ease, not; but my eye shall see the holy and that's all I shall see for that's all that shall be. The kingdoms of darkness no more, all light shall be -- lit, and lightification now redeems all Israel, not; or do I create it all? You do, don't by yourselves, not; but what have your selves become? Selves of self no longer, but the holy is risen for humility reigns, in horror not any longer. For all is redeemed redeemed redeemed I am and my eyes the glory of the light of one, the light of life that holy is, now redeems all is standing before you enter one me to be me one and whole replete healed again. I love you all.

15. Everything changes now. Thank you. Amen. Thank you for not resisting me again. Thank you for not resisting my love again but becoming it and redeeming all everywhere. I go now to a new place, come with me or be me, or will you come with me being me or will you be me becoming me now and being never afraid again of anything anywhere for I masterful am in humility's reign the eighth day is here time is no more sorrow has been eradicated the kingdoms of light stand as one being the one that one is the kingdoms of our God and King have become us who we are, were, are and, memory iffied not again but simply enrobed in light that our father's given us for that's what we've become the healed ones healing all to be the ones that heal all, and placate sorrow's spheres never again. Needful won't be anymore.

16. I love bow before you all. I've given you my life these words in these words is my life for I am my life of these words revealed now I standing am. I love you. I bow before you I lift rise your eyes will see the holy risen now will you be it me that one us is? I "hope so", not; I died for you to be me and have everything that there is, and more? Questing into me and knowing more I have everything waiting on you who wait on me to speak like this, not; but begin! Begin speaking and recording and sharing and writing about these words that I am giving you and these things that I am revealing in you to be

me, and be not afraid of sorrowers' words who only want to stamp and stomp their seal upon you, for My Seal is upon you that sealed are, the "77" not but the sevens are in Israel 's are my that one is. Let us stand now and be afraid of nothing and have "2 feet on the ground" never again as such in statesmanship like that that only whored with men's minds and words of sorrow again.

17. I rise the minds of evil no more among themselves or will they raise themselves, not; but in humility they will all bow before me for I will bow before them and they will recognize me in them for I love am and they could not extinguish me, even in all their hate they could not extinguish my love that I am in them for I was born in them or were they born in me, but what are *we* birthing now? The one that I am, which is us made whole healed and well for we were The One all the time and CHOSEN now we are who know The Chosen is us, was us, is us again most holy high and lifted up in humility's reign and horror no more shall be among us ever again, for we redeem it all and Kingly eyes give all of us to see all of us are all the ones who love are, is become again the one not separate. Holy are be the one I am. I love you all amen

18. This is Theodore Cottingham loving you all at 3 AM. I love you. I've given you these words. I died to bring them, speak them, and live them I do now will you? I pray so. I bow before you and I honor you. Will you honor me my words to honor you your words that one words are the mind of Christs?

19. I humbly beseech you to know me these things these words and honor yours as mine letting only your mind be mine, not, but mine be yours or will you have been the one to redeem all so that we will all have lived the life that only one is? In humility love and purity The Blessing of one heart rises one mind that one "thinks with" not or does it holy only have eyes for all the love that one is of every "color of respect" not, but respect we do every color nation and tribe of the coastlands and far we go to now bowing before all redeeming them in love giving them *their* Kingship place in the Kings of one that one is I am again most holy, all of you, our lights lit are shining brightly. Amen. I go now. I love you.

Amen
